

Martin Reunion 2003

FAMILY LINEUP: In the game Family Lineup, the aim is to get your team (of eight or more players) lined up according to a single distinguishing characteristic that's called out by an emcee: birth order, age, height, distance traveled to the reunion, alphabetical state of origin and so on. The first team to get lined up yells out its order and wins.

Line yourself up alphabetically by state of birth, - if same state, include county, if same county include town, if same town month of birth.
