Lucian and Obie weren't at the farm for the Hobo story. JW and Ralph were packed on the wagon. Uncle Leonard was the in the field with the guys. The older Hunt boys were in the field - the younger boys were sick at their home with Aunt Jessie. Aunt Gin was about 15-16, Esta was 14, Lan was 19, Beck was 21.

Beckham Jr was napping and Aunt Kate watched the food on the stove. Beckham Jr. was born in March of that year.
